

# THE GREAT WEST HARBOR POND FISHING DERBY OF 2022

- The fishing derby is sponsored by the West Harbor Pond Watershed Association with the first round held during July and the second round during August. There is no fee to enter and entries will be submitted as photographs.
- The West Harbor Pond Fishing Derby is an opportunity for fishermen (-women and -kids) to enjoy one of their favorite Pond activities in a friendly competition, to meet other like-minded Pond neighbors, maybe find some new friends, share the stories of their big catches online, and possibly get a trophy hat for a biggest in class catch. It is also a way for everybody to discover more about what is really swimming about out there in the Pond, and probably pick up a few choice photos for the WHPWA website. Read about all the details below.
